The Code of Federal Regulations is the codification of the general and permanent rules published in the Federal Register by the executive departments and agencies of the Federal Government.

Special edition of the Federal Register, containing a codification of documents of general applicability and future effect ... with ancillaries.

This is the only book that completely lists accurate technical data for all cars imported into the U.S. market from 1946-2000. With many imports approaching the antique status, this book will be a big seller across all generations of car enthusiasts. From the grandiose European carriages of the late Forties to the hot, little Asian imports of the Nineties, every car to grace American roadways from across the Atlantic and Pacific is carefully referenced in this book. &break;&break;Foreign car devotees will appreciate the attention given to capturing precise data on Appearance and Equipment, Vehicle I.D. Numbers, Specification Charts, Engine Data, Chassis, Technical Data, Options and Historical Information. &break;&break;Collectors, restorers and car buffs will love this key book from noted automotive authors, James Flammang and Mike Covello.

For 30 years, consumers have relied on Edmund's to get the valuable information and advice they need to choose wisely and to save time and money when purchasing or leasing a new automobile. With evaluations, worksheets and follow-up information and buying services, Edmund's enables today's information-age consumers to make and implement informed, cost-effective buying decisions.

Evaluates the latest models of American and imported cars, discussing strong and weak points of each model, fuel economy, cargo space, and more
