Robert Gordon had defined critical history as "any approach to the past that produces disturbances in the field." [i] In this context, feminist historiography produces the disturbances in the field of existing social reality by foregrounding the women's experiences within the complex and diverse society. [ii] It is in this context

~~How a pause can be the most devastating effect in music.~~

With a string of tactical victories, DR Congo President Felix Tshisekedi has defied naysayers who saw him as a weak politician living in the shadow of a famous father, although the future of his strategy remains uncertain. When the bear-like figure was sworn in as president in January 2019, the start of his tenure was hardly auspicious.
