This study analyzes the elements of legal borrowing and exchange between Twelver and Shafiite jurists through a legal genre known as “adab al-qadi,” or “The Judge’s Protocol,” which has been mined by modern scholars as sources for laws of procedure. However, this overwhelming focus on the elements of practical law and the genre’s concerns for evidentiary standards and burdens of proof has overlooked the sophisticated discussions found in these texts regarding the processes ...

A qadi is the term for a Muslim judge who issues definitive rulings in cases brought by disputants for resolution. The word qadi is derived from the root word q-d-y, meaning "to resolve," "to settle," "to decide." Judicial practice is seen as an extension of the function of the ruler and is thus indirectly linked to orderly governance.
