Complete Guide to Acura RSX Suspension, Brakes & Upgrades

When it first debuted in 2001, the RSX was to be Acura's entry-level sports car and acted as a replacement for the beloved Acura Integra. It was a small machine capable of big things, putting out impressive performance figures in its time, while still having incredible reliability and impressive gas mileage. The RSX Type-S was all the sportiness of the base model turned up to eleven.

Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

Lemon-Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car-and-truck books on the market. U.S. automakers are suddenly awash in profits, and South Koreans and Europeans have gained market shares, while Honda, Nissan, and Toyota have curtailed production following the 2011 tsunami in Japan. Shortages of Japanese new cars and supplier disruptions will likely push used car prices through the roof well into 2012, so what should a savvy buyer do? The all-new Lemon-Aid Used Cars and Trucks 2012-2013 has the answers, including: More vehicles rated, with some redesigned models that don't perform as well as previous iterations downrated. More roof crash-worthiness ratings along with an expanded cross-border shopping guide. A revised summary of safety- and performance-related defects that are likely to affect rated models. More helpful websites listed in the appendix as well as an updated list of the best and worst "beaters" on the market. More "secret" warranties taken from automaker internal service bulletins and memos than ever.

The Ordinary Millionaire is intended to show a perspective of a struggling immigrant who grew up in poverty yet became a millionaire within six years after being deep in debt with middle-class incomes for almost two decades. Just like ordinary Americans, I had made many poor emotional choices trying to keep up with the Joneses...trying to be normal. I then share with you how we implemented other guru's proven strategies to turn our life around from financial rock bottom. My main reason for writing this book is to hopefully inspire you to get your finances in order and to pursue your dreams. I would like to impart our actual regimen to maintain a simple lifestyle and invest diligently in order to obtain our wealth. In the grand scheme of things, becoming a millionaire is only a side effect of our short-term objective—our true aspiration is to be financially independent and retire early like what is often heard in the FIRE movement.
