A man with the world at his feet, and he stole a kiss from me. It should have ended there, since I had no idea who he was. Except that kiss was caught by someone's camera, and now the picture is splashed on tabloids all over the world. I should have recognized him: Prince Alexander of Cambridge. Royal bad boy. Exiled heir to the throne. He's controlling. He's demanding. He's dangerous. He warns me to stay away--that the press and his family will destroy me. I should run, but I can't. Kerrigan Belmond has everything I

don't have. A name that opens doors, more money than god, an Oxford education, and rumors that she's caught the eye of Spencer Byrd, the heir to one of England's most powerful aristocratic families. I'm an orphan, running from a tragedy I can't face. Being mistaken for her is flattering until her father arrives at my door with an indecent proposal. His daughter has fled her perfect life, and he wants me to step into her shoes until she can be coaxed back to her pedestal. The arrangement is simple. For one year, I will be Kerrigan Belmond. The perfect daughter. The charming socialite. The ideal future wife. For one year, I will do anything she would do. And for one year, I will keep the attention of Spencer at all costs. I can't say no, but as soon as I meet Spencer and his brother I realize

the mistake I've made. To the outside world, the Byrds are London society and Spencer is the golden boy groomed to become prime minister. Behind closed doors, his family is as twisted and tangled as the web I'm walking into. Spencer demands loyalty. He expects discretion. And he's ready to claim the woman he's been promised in every way. Keeping him happy means I might lose more than a year of my life, but I can't turn down the proposition. Not with what the Belmonds have promised me in return. They say everyone has a price. I know mine. Ten million pounds.

Five years ago, tragedy brought her to my door and sparked a love that consumed us like wildfire—hot, unpredictable, and impossible to control. We raged together until her father made her choose between me and the family name. I left. She stayed. I'm no longer the poor kid that lost her. I've made myself into a man that won't be ignored. Now her father is dead, the MacLaine empire is crumbling, and Adair's inheritance depends on the company's largest investor: me. *** My whole life changed the night I met Sterling Ford.
