Got wit? We've all been in that situation where we need to say something clever, but innocuous; smart enough to show some intelligence, without showing off; something funny, but not a joke. What we need in that moment is wit—that sparkling combination of charm, humor, confidence, and most of all, the right words at the right time. Elements of Wit is an engaging book that brings together the greatest wits of our time, and previous ones from Oscar Wilde to Nora Ephron, Winston Churchill to Christopher Hitchens, Mae West to Louis CK, and many in between. With chapters covering the essential ingredients of wit, this primer sheds light on how anyone—introverts, extroverts, wallflowers, and bon vivants—can find the right zinger, quip, parry, or retort...or at least be a little bit more interesting.

"A witty book about wit that steers an elegant path between waggishness and wisdom." —Stephen Fry Much more than a knack for snappy comebacks, wit is the quick, instinctive intelligence that allows us to think, say, or do the right thing at the right time in the right place. In this whimsical book, James Geary explores

## Read Online Elements Of Wit Mastering The Art Being Interesting Benjamin Errett

every facet of wittiness, from its role in innovation to why puns are the highest form of wit. Geary reasons that wit is both visual and verbal, physical and intellectual: there's the serendipitous wit of scientists, the crafty wit of inventors, the optical wit of artists, and the metaphysical wit of philosophers. In *Wit's End*, Geary embraces wit in every form by adopting a different style for each chapter; he writes the section on verbal repartee as a dramatic dialogue, the neuroscience of wit as a scientific paper, the spirituality of wit as a sermon, and other chapters in jive, rap, and the heroic couplets of Alexander Pope. *Wit's End* agilely balances psychology, folktales, visual art, and literary history with lighthearted humor and acute insight, drawing upon traditions of wit from around the world. Entertaining, illuminating, and entirely unique, *Wit's End* demonstrates that wit and wisdom are really the same thing.

From *My Little Pony* to the Sex Pistols: An engaging exploration of why we love what we love Katy Perry. Wes Anderson. Coldplay. Star Wars. Hamilton. Gilmore Girls. We all have our most and least favorite things. But why? In this smart, funny, and well-researched book, Benjamin Errett brings together the latest findings from the worlds of psychology, criticism, neuroscience, market research, and more to examine what taste really means—and what it can teach us about ourselves. Covering kitsch, nostalgia, snobbery, bad taste, George Michael, and what it means to be “basic,” this is the ultimate read for anyone who devours popular and not-so-popular culture.

resemble a movie. □How to “flip the switch” to be more entertaining.

This is a story of goy meets girl, and of what happens when a couple in their 20s takes on a complex faith in its 6000s. Laugh-out-loud funny, thoughtful and revealing, Jew and Improved is Errett's take on joining an ancient tribe and dragging his fiancée along for the ride. When Benjamin Errett proposed to his longtime girlfriend, Sarah, he decided to go the distance by converting to Judaism. This engaging book follows Ben and Sarah's education in spirituality, community and gefilte fish when the couple was pretty sure they already had all those things figured out. But more than that, it's a love story about the ordinary things that happen after you make an extraordinary choice. It's about making a big change in your life for someone else and realizing that you were doing it for yourself all along. Jew and Improved is a book about a spiritual journey for people who don't read books about spiritual journeys; it's a primer on a major world religion and an answer to all those embarrassing questions about circumcision. And who doesn't love a book that features both a wedding and a recipe for brisket?

A fun, practical guide that reveals the essentials of good fiction and memoir writing by exposing the most common mistakes literary writers make. All great works of fiction and memoir are unique-but most bad novels, stories, and memoirs have a lot in common. From clunky dialogue to poorly sketchedout characters, sagging pacing to exaggerated prose, these beginners' mistakes drive any agent or editor

to their stock rejection letter, telling the aspiring writer "Thanks, but this isn't for us," and leaving many to wonder what exactly it is that they're doing wrong. Veteran writing coach, developmental editor, and writing instructor Jessica Page Morrell will fill in the gaps in every rejection letter you've ever received. In *Thanks, But This Isn't for Us*, Morrell uses her years of experience to isolate the specific errors beginners make, including the pitfalls of unrealistic dialogue, failing to "show, not tell," and over-the-top plot twists. These are just a few of the problems that keep writers from breaking through with their work. Sympathetic and humane, but pulling no punches, *Thanks, But This Isn't for Us* shows writers precisely where they've gone wrong and how to get on the right track. In sixteen to-the-point chapters, with checklists, exercises, takeaway tips, and a glossary, Morrell helps readers transcend these mistakes so that they don't have to learn the hard way: with another rejection letter.

The author of the *Runner's Day-by-Day Log and Calendar* takes readers and runners into the world of running, portraying the sport as pure, simple, and spiritually complex. Reprint.

Five Astonishing Tarot Readings for Untangling Life's Messiest Problems From Melissa Cynova, author of the bestselling book *Kitchen Table Tarot* Author Melissa Cynova noticed that clients often turn up for readings with extremely complicated problems. She developed the five readings in *Tarot Elements* as a program for

Creating an alliance and working partnership with the spirits of weather to restore well-being and harmony to Earth and ourselves □ Reveals that, intentionally or not, we affect the weather not only through our actions but also through our thoughts and emotions □ Explains shamanic techniques for working with the spiritual nature of weather □ Special section on “weather dancing” details both its ceremonial and therapeutic aspects With the growing consensus that global warming is a fact comes the realization that the increasingly violent weather we are experiencing is its chief manifestation. Each storm, each flood, each blizzard seems to break 100-year-old records for both intensity and damage. Reducing emissions of greenhouse gases may be too little, too late. Through a unique blend of anthropological research, shamanic journeys, and personal stories and anecdotes, Moss and Corbin show how humans and weather have always affected each other, and how it is possible to influence the weather. They present teachings directly from the spirits of weather that show how our thoughts and emotions affect weather energetics. They also reveal the ceremonial and therapeutic aspects of “weather dancing,” a practice used to communicate with the weather spirits. Weather Shamanism is about transformation--of ourselves, and thus our world. It is about how we can develop an expanded worldview that honors spiritual realities in order to create a working partnership with the spirits of weather and thereby help to restore well-being and harmony to Earth.
