Johann Wolfgang von Goethe was born in 1749. Having studied at Leipzig and Strassburg, he began to write some essays and lyrical verse, and at twenty-four wrote a play Goetz von Berlichingen, which brought him national fame and established him in the Sturm und Drang movement. He is most famous for his tragedy Werther. He died in 1832.

Italian Journey. by. Johann Wolfgang von Goethe, Elizabeth Mayer (Translator), W.H. Auden (Translator) 3.86 · Rating details · 1,255 ratings · 103 reviews. In 1786, when he was already the acknowledged leader of the Sturm und Drang literary movement, Goethe set out on a journey to Italy to fulfil a personal and artistic quest and to find relief from his responsibilities and the agonies of unrequited love.

*Italian Journey by Johann Wolfgang von Goethe*

But his travel diary, *Italian Journey*, is by far easier to digest than anything else by him. The journal is a straightforward account of his sojourn to Italy as a young man between 1786 and 1789. The book has a modern ring to it, and indeed Goethe seems to foreshadow the coming of many of the things we consider "modern" today: intense self-examination, scientific methodology, and anthropology.

Goethe's account of his passage through Italy from 1786 to 1788 is a great travel chronicle as well as a candid self-portrait of a genius in the grip of spiritual crisis. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more

than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Know'st thou the land where lemon trees do bloom, and oranges like gold in leafy gloom..." In the seventeenth and eighteenth centuries, a journey to Italy was considered an indispensable part of a young man's education. On arduous coach journeys, they pursued the trail of ancient Rome and the Renaissance to Florence, Venice, Rome, and Naples. Artists soon followed them, and thus yearning also led Johann Wolfgang von Goethe south from 1786 to 1788. 'Goethe's Italian Journey' vividly conveys his profound enthusiasm but also depicts well-organized, early tourism. Just seventy years later, the first photographers captured stations on the Grand Tour on gelatin silver plates. Giorgio Sommer (1834-1914), like Goethe from Frankfurt am Main, and Carlo Naya (1816-1882) produced intensely poetic views of St. Mark's Square, the Colosseum, a smoking Vesuvius, and beautiful fisherwomen on Capri. - Do these dreamlike pictures show us what Goethe saw?

This is the complete edition of the Italian Journey with some illustrations. The Italian Journey (in the German original: Italienische is Johann Wolfgang von Goethe's report on his travels to Italy from 1786-88, published in 1816-17. The book is based on Goethe's diaries. It is smoothed in style, lacking the spontaneity of his diary report, and augmented with the addition of afterthoughts and reminiscences. At the beginning of September 1786, when Goethe had just turned thirty-seven, he "slipped away", in his words, from his duties as Privy Councillor in the Duchy of Weimar, from a long platonic affair with a court lady, and from his immense fame as the author of the novel Werther and the stormy play Götz von Berlichingen, and took what became a licensed leave of absence. By May 1788 he had travelled to Italy via Innsbruck and the Brenner Pass and visited Lake Garda, Verona, Vicenza, Venice, Bologna, Rome and Alban Hills, Naples and Sicily. He wrote many letters to a number of friends in Germany, which he later used as the basis for Italian Journey.

Throughout his long, hectic and astonishingly varied life, Johann Wolfgang von Goethe (1749-1832) would jot down his passing thoughts on theatre programmes, visiting cards, draft manuscripts and even bills ... Goethe was probably the last true 'Renaissance Man'. Although employed as a Privy Councillor at the Duke of Weimar's court, where he helped oversee major mining, road-building and irrigation projects, he also painted, directed plays, carried out research in anatomy, botany and optics - and still found time to produce masterpieces in every literary genre. His fourteen hundred Maxims and Reflections reveal some of his deepest thought on art, ethics, literature and natural science, but also his immediate reactions to books, chance encounters or his administrative work. Although variable in quality, the vast majority have a freshness and immediacy which vividly conjure up Goethe the man. They make an ideal introduction to one of the greatest of European writers.

"Italian Journey" from Johann Wolfgang von Goethe. German writer and statesman (1749-1832).
