Julius Caesar: Act 2, scene 1 - YouTube

Caesar must bleed for it! And, gentle friends, Let's kill him boldly, but not wrathfully; Let's carve him as a dish fit for the gods, Not hew him as a carcass fit for hounds: And let our hearts, as subtle masters do, 795. Stir up their servants to an act of rage, And after seem to chide 'em. This shall make.

(6) Columns for Discount on Purchases and Discount on Notes on the same side of the Cash Book; (c) Columns for Discount on Sales and Cash Sales on the debit side of the Cash Book; (d) Departmental columns in the Sales Book and in the Purchase Book. Controlling Accounts.--The addition of special columns in books of original entry makes possible the keeping of Controlling Accounts. The most common examples of such accounts are Accounts Receivable account and Accounts Payable account. These summary accounts, respectively, displace individual customers' and creditors' accounts in the Ledger. The customers' accounts are then segregated in another book called the Sales Ledger or Customers' Ledger, while the creditors' accounts are kept in the Purchase or Creditors' Ledger. The original Ledger, now much reduced in size, is called the General Ledger. The Trial Balance now refers to the accounts in the General Ledger. It is evident that the task of taking a Trial Balance is greatly simplified because so many fewer accounts are involved. A Schedule of Accounts Receivable is then prepared, consisting of the balances found in the Sales Ledger, and its total must agree with the balance of the Accounts Receivable account shown in the Trial Balance. A similar Schedule of Accounts Payable, made up of all the balances in the Purchase Ledger, is prepared, and it must agree with the balance of the Accounts Payable account of the General Ledger." The Balance Sheet.--In the more elementary part of the text, the student learned how to prepare a Statement of Assets and Liabilities for the purpose of disclosing the net capital of an enterprise. In the present chapter he was shown how to prepare a similar statement, the Balance Sheet. For all practical...

Among the most enduring poetry of all time, William Shakespeare's 154 sonnets address such eternal themes as love, beauty, honesty, and the passage of time. Written primarily in four-line stanzas and iambic pentameter, Shakespeare's sonnets are now recognized as marking the beginning of modern love poetry. The sonnets have been translated into all major written languages and are frequently used at romantic celebrations. Known as "The Bard of Avon," William Shakespeare is arguably the greatest English-language writer known. Enormously popular during his life, Shakespeare's works continue to resonate more than three centuries after his death, as has his influence on theatre and literature. Shakespeare's innovative use of character, language, and experimentation with romance as tragedy served as a foundation for later playwrights and dramatists, and some of his most famous lines of dialogue have become part of everyday speech. Marcus Brutus, a Roman politician, considers Emperor Julius Caesar to be a friend, but a senator—Caius Cassius—convinces Brutus that Caesar has too much power. Brutus would rather Rome be a republic than an empire ruled by a tyrant, so he participates in a conspiracy to kill Caesar. Though Brutus believes his actions will benefit Rome, Caesar's murder brings about more bloodshed, including Brutus's own. The play examines friendship and patriotism, the succession of leadership, and the roles of fate and free will. Shakespeare wrote this drama, rooted in Roman history, in 1599; it was published in 1623, after Shakespeare's death. This is an unabridged edition of the tragic play.
