Eleanor Coppola shares her life as an artist, filmmaker, wife, and mother in a book that captures the glamour and grit of Hollywood and reveals the private tragedies and joys that tested and strengthened her over the past twenty years. This book travels between the center of the film world and the intimate heart of her family. She looks at the vision that drives her husband, Francis Ford Coppola, and describes her daughter Sofia's rise to fame with the film *Lost in Translation*. Even as she visits faraway movie sets and attends parties, she is pulled back to pursue her own art, but is always focused on keeping her family safe. The death of their son Gio in a boating accident in 1986 and her struggle to cope with her grief and anger leads to a moving exploration of her deepest feelings as a woman and a mother.

#1 New York Times Best Seller! "Eleanor & Park reminded me not just what it's like to be young and in love with a girl, but also what it's like to be young and in love with a book."-John Green, The New York Times Book Review Bono met his wife in high school, Park says. So did Jerry Lee Lewis, Eleanor answers. I'm not kidding, he says. You should be, she says, we're 16. What about Romeo and Juliet? Shallow, confused, then dead. I love you, Park says. Wherefore art thou, Eleanor answers. I'm not kidding, he says. You should be. Set over the course of one school year in 1986, this is the story of two star-crossed misfits-smart enough to know that first love almost never lasts, but brave and desperate enough to try. When Eleanor meets Park, you'll remember your own first love-and just how hard it pulled you under. A New York Times Best Seller! A 2014 Michael L. Printz Honor Book for Excellence in Young Adult Literature Eleanor & Park is the winner of the 2013 Boston Globe Horn Book Award for Best Fiction Book. A Publishers Weekly Best Children's Book of 2013 A New York Times Book Review Notable Children's Book of 2013 A Kirkus Reviews Best Teen Book of 2013 An NPR Best Book of 2013

The New York Times bestseller from prizewinning author David Michaelis presents a "stunning" (The Wall Street Journal) breakthrough portrait of Eleanor Roosevelt, America's longest-serving First Lady, an avatar of democracy whose ever-expanding agency as diplomat, activist, and humanitarian made her one of the world's most widely admired and influential women. In the first single-volume cradle-to-grave portrait in six decades, acclaimed biographer David Michaelis delivers a stunning account of Eleanor Roosevelt's remarkable life of transformation. An orphaned niece of President Theodore Roosevelt, she converted her Gilded Age childhood of denial and secrecy into an irreconcilable marriage with her ambitious fifth cousin Franklin. Despite their inability to make each other happy, Franklin Roosevelt transformed Eleanor from a settlement house volunteer on New York's Lower East Side into a matching partner in New York's most important power couple in a generation. When Eleanor discovered Franklin's betrayal with her younger, prettier, social secretary, Lucy Mercer, she offered a divorce and vowed to face herself honestly. Here is an Eleanor both more vulnerable and more aggressive, more psychologically aware and sexually adaptable than we knew. She came to accept her FDR's bond with his executive assistant, Missy LeHand; she allowed her children to live their own lives, as she never could; and she explored her sexual attraction to women, among them a star female reporter on FDR's first presidential campaign, and younger men. Eleanor needed emotional connection. She pursued deeper relationships wherever she could find them. Throughout her life and travels, there was always another person or place she wanted to heal. As FDR struggled to recover from polio, Eleanor became a voice for the voiceless, her husband's proxy in the White House. Later, she would be the architect of international human rights and world citizen of the Atomic Age, urging Americans to cope with the anxiety of global annihilation by cultivating a "world mind." She insisted that we cannot live for ourselves alone but must learn to live together or we will die together. This "absolutely spellbinding," (The Washington Post) "complex and sensitive portrait" (The Guardian) is not just a comprehensive biography of a major American figure, but the story of an American ideal: how our freedom is always a choice. Eleanor rediscovers a model of what is noble and evergreen in the American character, a model we need today more than ever.

'It may be the most lucid account of the strain of epic moviemaking that we'll ever get. At its center there's a great artist-hero caught in a trap - struggling to find the theme of the picture he's already shooting.' Pauline Kael, New Yorker  
In the Spring of 1976, Eleanor Coppola, her husband, Francis Ford Coppola, and their children left California for the Philippines, where *Apocalypse Now* was to be filmed. As the months stretched into years, Eleanor Coppola's *Notes* became an extraordinary record not only of the making of a movie, but of the emotional and physical price exacted from all who participated in it.

"Beautifully written and incredibly funny. . . I fell in love with Eleanor; I think you will fall in love, too!" --Reese Witherspoon  
Smart, warm, uplifting, the story of an out-of-the-ordinary heroine whose deadpan weirdness and unconscious wit make for an irresistible journey as she realizes the only way to survive is to open her heart. No one's ever told Eleanor that life should be better than fine. Meet Eleanor Oliphant: She struggles with appropriate social skills and tends to say exactly what she's thinking. Nothing is missing in her carefully timetabled life of avoiding social interactions, where weekends are punctuated by frozen pizza, vodka, and phone chats with Mummy. But everything changes when Eleanor meets Raymond, the bumbling and deeply unhygienic IT guy from her office. When she and Raymond together save Sammy, an elderly gentleman who has fallen on the sidewalk, the three become the kinds of friends who rescue one another from the lives of isolation they have each been living. And it is Raymond's big heart that will ultimately help Eleanor find the way to repair her own profoundly damaged one.

A sympathetic and sensitive portrayal of the remarkable Eleanor Roosevelt captures the life and times of a woman who continues to offer inspiration, guidance, and hope to people of all ages. Reprint. Newbery Honor Book.

"Lorena Hickok meets Eleanor Roosevelt in 1932 while reporting on Franklin Roosevelt's first presidential campaign. She is not instantly charmed by the idealistic, patrician Eleanor. As their connection deepens into intimacy, what begins as a powerful passion matures into a

lasting love, and a life that Hick never expected to have. After she takes a job in the Roosevelt administration, promoting and protecting both Roosevelts, she comes to know Franklin not only as a great president but as a complicated rival and an irresistible friend, capable of changing lives even after his death."--

Available again in time for election season, Eleanor Roosevelt's most important book—a battle cry for civil rights As relevant and influential now as it was when first published in 1963, *Tomorrow Is Now* is Eleanor Roosevelt's manifesto and her final effort to move America toward the community she hoped it would become. In bold, blunt prose, one of the greatest First Ladies of American history traces her country's struggle to embrace democracy and presents her declaration against fear, timidity, complacency, and national arrogance. An open, unrestrained look into her mind and heart as well as a clarion call to action, *Tomorrow Is Now* is the work Eleanor Roosevelt willed herself to stay alive to finish writing. For this edition, former U.S. President Bill Clinton contributes a new foreword and Roosevelt historian Allida Black provides an authoritative introduction focusing on Eleanor Roosevelt's diplomatic career. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

A riveting and enlightening account (Bookreporter) of a mostly unknown chapter in the life of Eleanor Roosevelt—when she moved to New York's Greenwich Village, shed her high-born conformity, and became the progressive leader who pushed for change as America's First Lady. Hundreds of books have been written about FDR and Eleanor, both together and separately, but yet she remains a compelling and elusive figure. And, not much is known about why in 1920, Eleanor suddenly abandoned her duties as a mother of five and moved to Greenwich Village, then the symbol of all forms of transgressive freedom—communism, homosexuality, interracial relationships, and subversive political activity. Now, in this immersive original look at an iconic figure of American politics (Publishers Weekly), Jan Russell pulls back the curtain on Eleanor's life to reveal the motivations and desires that drew her to the Village and how her time there changed her political outlook. A captivating blend of personal history detailing Eleanor's struggle with issues of marriage, motherhood, financial independence, and femininity, and a vibrant portrait of one of the most famous neighborhoods in the world, this unique work examines the ways that the sensibility, mood, and various inhabitants of the neighborhood influenced the First Lady's perception of herself and shaped her political views over four decades, up to her death in 1962. When Eleanor moved there, the Village was a zone of Bohemians, misfits, and artists, but there was also freedom there, a miniature society where personal idiosyncrasy could flourish. Eleanor joined the cohort of what then was called "The New Women" in Greenwich Village. Unlike the flappers in the 1920s, the New Women had a much more serious agenda, organizing for social change—unions for workers, equal pay, protection for child workers—and they insisted on their own sexual freedom. These women often disagreed about politics—some, like Eleanor, were Democrats, others Republicans, Socialists, and Communists. Even after moving into the White House, Eleanor retained connections to the Village, ultimately purchasing an apartment in Washington Square where she lived during World War II and in the aftermath of Roosevelt's death in 1945. Including the major historical moments that served as a backdrop for Eleanor's time in the Village, this remarkable work offers new insights into Eleanor's transformation—emotionally, politically, and sexually—and provides us with the missing chapter in an extraordinary life.

"I honestly loved this book." —Jim Norton, New York Times bestselling author of *I Hate Your Guts* "Eleanor taught Noelle that, first and foremost, *Courage Takes Practice*. Her yearlong quest to face her terrors, great and small, is moving, enriching, and hilarious—we readers are lucky to be along for the ride." —Julie Powell, bestselling author of *Julie & Julia* In the tradition of *My Year of Living Biblically* and *Eat Pray Love* comes *My Year with Eleanor*, Noelle Hancock's hilarious tale of her decision to heed the advice of First Lady Eleanor Roosevelt and do one thing a day that scares her in the year before her 30th birthday. Fans of Sloane Crosley and Chelsea Handler will absolutely adore Hancock's charming and outrageous chronicle of her courageous endeavor and delight in her poignant and inspiring personal growth.
