colleague Logan Hart, but he has been acting strangely and won't say why. When the kidnapper demands that Alex meet him at an abandoned amusement park in exchange for the location of all his captives, she takes the bait. But the meeting proves to be a trap, and the building she's in explodes. Finding herself imprisoned with several other women, Alex works to think one step ahead of her captor. But the more Logan and the BAU learn about the kidnapper, the more they fear Alex may not make it out alive this time.

One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a

**Adult Mystery** Perfect for fans of Madeleine Roux, Jonathan Maberry, and horror films like *28 Days Later* and *Resident Evil*, this pulse-pounding, hair-raising, utterly terrifying novel is the first in a duology from the critically acclaimed author of the *Taken* trilogy. After receiving a distress call from a drill team on a distant planet, a skeleton crew is sent into deep space to perform a standard search-and-rescue mission. When they arrive, they find the planet littered with the remains of the project—including its members' dead bodies. As they try to piece together what could have possibly decimated an entire project, they discover that some things are best left buried—and some monsters are only too ready to awaken. **ADVANCE PRAISE FOR CONTAGION:** “Gripping,

thrilling and terrifying in equal measures, Contagion is the perfect intersection of science fiction and horror—I couldn't look away.” —Amie Kaufman, New York Times bestselling author of *Illuminae* and *Unearthed* “ Few understand the true horror that lies in the empty unknown of space, but Erin Bowman nails it in *Contagion*. Read this one with the lights on! ” —Beth Revis, New York Times bestselling author of the *Across the Universe* series and *Star Wars: Rebel Rising* “ Erin Bowman's *Contagion* is everything I want in my science fiction: a cast of smart characters on a desperate rescue mission forced to confront an elusive and unstoppable enemy. I absolutely loved this layered and thrilling adventure and can't wait to dive back into this world

Four individuals are filled with new doubts, grappling with the unexpected question of whether to remember unknown events, or to leave them buried forever. Finn, an Irish architect living in the Arizona desert, begins to suspect his charming wife of having an affair. Mei, a troubled grad school dropout in Kuala Lumpur, wonders why she remembers a city she has never visited. William, a former police inspector in England, struggles with PTSD, the breakdown of his marriage, and his own secret family history. Oscar, a handsome young man with almost no memories at all, travels the world in a constant state of fear. Into these characters' lives comes Noor, a psychologist working at the Nepenthe memory removal clinic in London. The process of reinstating patients' memories begins to shake the moral

foundations of her world. As she delves deeper into how the program works, she will have to risk everything to uncover the cost of this miraculous technology. A provocative exploration of secrets, grief, and identity—of the stories we tell ourselves—Tell Me an Ending is “ an intellectually and emotionally satisfying thriller ” (Booklist).

When eleven-year-old Gregor falls through a grate in the laundry room of his apartment building, he hurtles into the dark Underland, where spiders, rats and giant cockroaches coexist uneasily with humans. This world is on the brink of war, and Gregor's arrival is no accident. Gregor has a vital role to play in the Underland's uncertain future.
