Whitley Strieber, one of my favorite novelists for this reason (his very different view on what is now comon topics) is the best at what he does: horror with a more realistic twist. Written before the popular novels of today (came out in 1981), The Hunger is gritty and dark while taking us from ancient times to the present.

The Hunger: Strieber, Whitley: 9781416583745: Amazon.com ...

The Hunger is a novel by Whitley Strieber. The plot involves a beautiful and wealthy vampire named Miriam Blaylock who takes human lovers and transforms them into vampire-human hybrids. The novel is unusual in that it deals with the practical considerations of vampirism, such as the difficulty in obtaining victims and concealing frequent murders. The Hunger suggests a science-fiction explanation for vampirism, that vampires are a species that bears a resemblance to humans. They are not immortal
